

Enjoy an evening of legendary TV stars

Blaine author and film critic Ron Miller will host a free two-hour big screen presentation featuring scenes from film and television programs starring Lucille Ball, James Garner, Milton Berle, Danny Thomas, Lawrence Welk, Jonathan Winters and many others.

The presentation will take place in the Discovery Theater at the Semiahmoo Resort from 7 to 9 p.m. on Wednesday, October 2. During the evening, Miller will discuss his personal meetings

with each of the stars from his years as a nationally syndicated entertainment columnist.

The program is based on Miller's latest book, *Conversations with Legendary Television Stars*, which contains interviews with 39 of the greatest stars from the first 50 years of television, conducted by Miller and his co-author, James Bawden, a former columnist for *The Toronto Star*.

Miller is the author of six books, three of them written with

Bawden. Village Books will be selling copies of their latest book at the event, and Miller will sign copies after the program. Tickets are not required to attend the free event, and you don't have to buy a book to attend.

The event is part of a free seven-week lecture series by Miller at Semiahmoo Resort. Miller is the former national president of the Television Critics Association and has taught adult education classes locally.
