Lions and tigers and bears, oh my

By Becky Chan
NORTHWEST ASIAN WEEKLY

It's a zoo after all. Of course, there'll be lions, and tigers, and bears. There'll also be orcas, dolphins, and an octopus. But when the Woodland Park Zoo opens its gates for a new nighttime event, WildLanterns, its permanent residents won't be available for visits. Instead, you'll be treated to their handcrafted lantern-lookalikes, illuminating and delighting you along the dark, winding paths of the zoo. No yellow brick road needed.
