

Introducing an easier way to celebrate Mother's Day

We've created a new, free **Moms We Love** feature on keypennews.org to commemorate our wonderful mothers. The section is filled with pictures of Moms accompanied by your loving words.

Gather your thoughts, focus your emotions and check your spelling on 50 words about your Mom. Add a clear and flattering photo and email to calendar@keypennews.org. It's painless, free and you won't have to take off your shirt to show your undying love.

[KP News reserves the right to edit all submissions]

CIVIC CENTER CORNER

The Key Peninsula Civic Center Association was incorporated on April 10, 1956. Led by then-president O.S. (Ollie) Whitmore, the civic center was originally part of the Vaughn Union High School. For the last 65 years this vintage facility has been lovingly maintained by community volunteers and managed by a dedicated board of directors.

Happy 65th Anniversary to the Key Peninsula Civic Center!

Now Open for Phase 3 Event Rentals

Call now to reserve space for
Weddings, Memorials, Small Gatherings.
